Rita's Spring Special: 3 Free Hours of Care

We're celebrating spring with savings for you and your loved ones! Our Spring Special gives you three free hours of care for two weeks of caregiving services (see a list of services in the right column). Here's how it works:

- Sign up for 20 hours or more of care per week. Note that you will need to sign up for two weeks of service for the Spring Special to apply. It's easy to sign up – simply call (615) 298-3826.
- Your first three hours of the two-week time span will be free.

About Our Caregivers

If you're new to Rita's Care at Home, please know we understand it's hard to allow someone to come into your home. You can have peace of mind that we offer the most highly trained and professional staff in the industry. We hire experienced caregivers with gentle and compassionate natures. They must pass a criminal background check, abuse registry check, and drug screen. In addition, we always obtain references from reliable sources before the caregiver is placed in your home.

We start by sitting down with you to review your needs and requirements. Then we carefully select a caregiver with the experience and personality best suited to your needs. Give us a call at (615) 298-3826 to learn more.

Celebrating Our Caregivers

At Rita's we love our caregivers! Each month we celebrate an employee and last month we honored Allie Pickard.

Allie has a pet bearded dragon so what better way to celebrate her than with a Dragons coloring book! Allie also received her favorite flavor of cake, flowers and other treats.

Thank you, Allie, for all you do!
